## **Photograph and Video Consent Form – Children**

The Parochial Church Council of St George's, Whyke, recognises its responsibilities regarding the protection and consent for use of the personal data of children and use this consent form to seek informed consent from parents.

St George's uses photographs and videos (images) and ensures that consent is sought prior to the use of such data. St George's uses consent as the legal basis for processing and processes this data in line with our Privacy Notice relating to Photography and Filming in Church.

Your images will be used for the following purposes:

- Updates to the website, including news stories.
- Updates to social media
- Promotions (of the church and its activities)

You understand by signing this form, that you provide your consent to St George's to use photographs and videos of your child which may feature for the above listed purposes.

You understand by signing this form that images of your child may be displayed in the public domain or online from anywhere in the world.

You understand by signing this form that images of your child will be used for as long as they are required and after which, will be placed into Church archives. Images maybe cut or edited before they are used publicly, and St George's retains copyright for the images.

You understand that you have rights in relation to the use of your child's personal data, and you may contact us to request access to, restriction and objection to the use of, or deletion of the images by contacting Fr Angus Reid at [rector@stgeorgeschichester.org](mailto:rector@stgeorgeschichester.org).

By signing this form, you confirm that you have read and fully understood the use of the images and consent to their use. This form will be used for administration purposes and will be held securely.
