## **Photography/Filming – Individual consent form**

I consent to St George's Whyke (the 'church') using photographs and/or video recordings of me taken by the church or by persons or organisations authorised on behalf of the church for the purposes of internally and externally promoting the church. These images could be used in any media (existing or later created or made available) including print and digital media formats such as print publications, brochures, websites, e-marketing, posters, banners, advertising, film, social media, teaching and research purposes.

I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that some images or recordings may be kept permanently once they are published and be kept as an archive of church life.

I agree that:

- Copyright in the image(s) and/or video recordings will be retained by the church; and
- The church shall have the right to edit, modify, crop, add to or subtract from the photographs and/or video recordings at its entire discretion and without my approval.

I have read and understand the conditions and consent to my images and or video recordings being used as described.
